

RAIL STOP

RESTAURANT
& BAR

To Our Valued Guests,

With the evolving public health crisis across Massachusetts and the nation, we are doing our best to make daily decisions for the well-being of our local communities and our team. Please be assured that everyone's health and safety has our complete attention.

Under the directive of the Commonwealth of Massachusetts, we will temporarily close our doors beginning Monday, March 16th, effective through Monday, April 6th.

More information on our preventative health and safety measures, and cancellation policies, [can be found here](#). For information regarding private events, please email info@railstopboston.com. Our team remains available for future planning, bookings and other business at all venues.

We are simultaneously working to lessen the impact of this temporary measure on our team members as best we can. As we consider our staff and guests' personal space, practice social distancing do our part to support everyone's health and safety. We are committed to getting through this challenging time together. For any general or booking related questions, please email info@railstopboston.com.

Please watch our property websites and social media for additional news and announcements.

Thanks, health and safety to you.

Best,
General Manager
Josh Medeiros
